

# Adding Images to Sub-Category Pages in Magento

This guide explains how to add images to your sub-category pages, giving your customers a more visual and intuitive navigation experience. The process is straightforward and requires minimal effort to set up.

## Step 1: Log in to Magento's Backend

1. Open your browser and go to your admin panel.  
Example: `mywebsite.co.uk/cssadmin`
2. Enter your provided username and password.

## Step 2: Navigate to Categories

1. In the left-hand menu, go to **Catalogue > Categories**.
2. Select the parent category you want to enhance (e.g., **Laundry**).

For example, if “Laundry” has child categories such as *Washing Machines*, *Washer Dryers*, and *Tumble Dryers*, you can assign images to each child category.

## Step 3: Add an Image

1. With your chosen category selected, expand the **Content** section.
2. Locate the image box. You can either:
  - Click the box and upload an image from your local computer, or
  - Drag and drop the image file directly onto the box.

### Image guidelines:

- Use square images for the best results.
- Recommended maximum size: **300 × 300 pixels**.
- Format: **JPG or PNG**.

The screenshot displays a dashboard with a left-hand navigation menu and a main content area. The navigation menu includes icons for Dashboard, Calculus, Sales, Catalog, Customers, Marketing, ImageDelight, Content, ManageDev, Reports, Amasty, Stores, System, Find Partners & Extensions, and AITOC. The main content area is titled "Dashboard" and includes a search bar, a user profile for "Jordan", and a "Reload Data" button. Below this, there is an "Advanced Reporting" section with a "Go to Advanced Reporting" button. The dashboard is divided into several sections: "Lifetime Sales" showing £199.99, "Average Order" showing £199.99, "Last Orders" with a table of customer orders, and "Last Search Terms" with a table of search results. There are also tabs for "Orders" and "Amounts" with a "Today" dropdown, and a "Bestsellers" section with tabs for "Most Viewed Products", "New Customers", and "Customers". A table shows a product "Dyson V8NEW Cordless Stick Vacuum Cleaner - 40 Minutes Run Time - Silver" with a price of £329.00 and a quantity of 2.

Dyson V8NEW Cordless Stick Vacuum Cleaner - 40 Minutes Run Time - Silver	£329.00	2

## Step 4: Save Your Changes

1. Once the image has been added, click **Save** at the top right.

## Step 5: Clear Magento's Cache

1. Go to **System > Cache Management**.
  2. Click **Flush Magento Cache**.
- 

## Step 6: View on the Frontend

After the cache is cleared, the images you've added will appear on the front end of your website, enhancing your category navigation.
